

American Hurricane Shutters

1200 Castle Hayne Rd
Wilmington, NC 28401
USA

Phone: (910) 256-1288

American Hurricane Shutters, based in Wilmington, NC, is a leading provider of premium hurricane and storm protection solutions serving coastal areas from Myrtle Beach, SC to New Bern, NC. With over two decades of experience, American Hurricane Shutters specializes in engineered, impact-resistant shutters including accordion, roll-down, Bahama, and colonial styles designed to meet the toughest storm protection standards (ASTM 1886/1996E, TAS 201/202/203). The company's licensed general contractor team handles everything from custom design pressure analysis to fast installations, maintenance, and commercial projects. Website:
